

2010 Speaker Series
WEDNESDAY, MARCH 30, 2010
NORTHUMBERLAND COUNTY BLDG – COBOURG

*“Leadership Collaboration for a Low-Carbon Economy:
Working Together for Economic & Environmental Success”*

Andrew Bowerbank,
President & Chief Strategy Officer
EC3 Initiative

**Northumberland County Building
Council Chambers
555 Court House Road
Cobourg, Ont K9A 5J6**

Andrew Bowerbank is the President and Chief Strategy Officer for the EC3 Initiative, a certified industrial designer, and a member of the Ontario College of Teachers. He was the founding Executive Director for the World Green Building Council and member representative for the United Nations Environmental Programme (2007-2009).

Mr. Bowerbank is a respected authority on green building design, energy & environmental conservation and low-carbon economics. He is a board member of the Eco-Smart Foundation and is a published author recognized on Canada's "Best Sellers" list.

Mr. Bowerbank was recently honoured by an invitation to participate in the "Birmingham Charter"; an international protocol designed to bring together the "100 greatest minds" in the world and create a new model for defining global sustainability.

In 2007, Mr. Bowerbank received the Leader of the Year award from EnerQuality Corporation and the Ontario Home Builders Association for his contributions to sustainable community development and green home design.
