*The Kawartha
Manufacturers' Association
is a volunteer group of
manufacturers in the
beautiful Kawartha Lakes area
(Peterborough and Lindsay).*

Our Mission

To increase the competitiveness and competencies of manufacturers in the Kawarthas by:

- Providing a forum for sharing information, ideas and resources.
- Promoting continuous improvement through education in contemporary management and manufacturing practices.
- Improving the appreciation of manufacturing and its contribution to regional quality of life.
- Improving links between education, other manufacturers and government.

Our Objectives

- The primary objective of the Association shall be to provide a “networking” opportunity for the members throughout the Kawartha District and with other manufacturing groups and related associations.
- To provide services and assistance to the members by way of shared training, seminars, information and bulletins.
- To increase regional awareness of manufacturing and its economic impact.

The core part of the program is built around monthly membership meetings. Speakers at the meetings are a mix of well known consultants who are experts in their field or members of KMA companies sharing best practices.

Member Benefits:

Manufacturing members are also able to access funding for training and hiring employees. Ask for more details.

Memberships

Regular (Manufacturer)

- Available to any company carrying out manufacturing operations. Annual dues are \$150.00 (Includes one contact person)

Affiliate (Non-Manufacturer)

- Granted to government, educational, financial or other organizations that the KMA Executive feel may be beneficial to our manufacturing members. These Memberships are non-voting and only available when approved by the KMA executive. Annual dues are \$150.00

Additional Company Contact

- These memberships are available to employees of regular or affiliate member companies. Annual dues are \$25.00 per person.
